REACH COMPLIANCE STATEMENT

PDM Neptec Ltd (The Company) is aware of the requirements of the new European Registration, Evaluation and Authorisation of Chemicals (REACH) Regulations and is committed to ensuring their compliance within the company.

We fully support the objectives of REACH, including protecting human health and the environment.

We are downstream users and so we will not be registering any substances for the regulations.

We are working closely with our raw material suppliers to ensure full compliance with the regulations. With their help, we will endeavour to minimise or replace any substances of very high concern (within the meaning of REACH).

We will endeavour to maintain continuity of supply through all stages of the implementation of the regulations.
